

CLASS PET ART

Objective

Students create an artistic representation of their class pet.

Materials Needed

- Natural items found outdoors
- Glue
- Construction paper
- Markers
- Crayons

Directions

1. Students gather items from nature.
2. Students use them (arrange and glue onto construction paper) to create a collage/illustration of the class pet.
3. Students may use markers or crayons to add details.
4. Ask your students these questions:
 - What did you use in your project?
 - Why did you choose those items?
